**VALIDATION DECISION
TITLE MODIFICATION**

We have completed our validation of your application for the modification to the title of your **Foundations of Public Safety** program to **Public Safety Fundamentals**, which was submitted to us on **15 December, 2014**. The credential conferred on successful completion of this program will remain as an **Ontario College Certificate**.

Please accept this as our validation of your request. After a review of the documentation submitted, including a review of the program-level learning outcomes, and a review of the current usage of this terminology with existing programs in the system, it was determined that the proposed title would be validated. It is understood this modified title can be effective for the program as of **January 2015**.

Please note the existing MTCU code (**to be assigned**) and the current APS Number (**FANS 01308**) will not change for this program.

I have sent a copy of this validation decision to the **Colleges Unit, MTCU** for their information and records.

Sincerely,

Name Karen Belfer

Date December 18, 2014.
